

**THE TIME IS NOW!**  
**Parents Summit:**  
**Empowering Your Student**  
**to Counter Antisemitism**  
**and Stand Up for Israel**

**Tuesday, November 7, 7:00-9:00 p.m.**  
**Westchester Reform Temple, Scarsdale, NY**

As our community reels from the brutal terror attacks by Hamas on the Jewish State, and the barrage of anti-Israel, antisemitic displays, and disinformation campaigns on campuses and on social media, **NOW, more than ever**, we must empower our students and ourselves to be educated, strong Jewish advocates.

Join the **first-ever AJC Westchester/Fairfield Parents Summit: Empowering Your Student to Counter Antisemitism and Stand Up for Israel**. Designed for parents of high school and college students, this **Parents Summit** will educate parents how to combat antisemitism, hate, and intolerance in educational institutions and online, and help prepare our children for the antisemitism they may encounter.

Featuring a **moderated panel discussion with local heads of schools:**

- **Horace Greeley High School** Dr. Sandra Sepe, Principal
- **The Leffell School** Dr. Michael Kay, Head of School
- **Scarsdale High School** Kenneth Bonamo, Principal

**Break-out sessions led by AJC experts**  
**will teach you how to address school and online antisemitism.**
